

House Sponsorship Opportunities

If you or your organization is interested in partnering with us on a greater level, sponsorship packages are available. As a sponsor of a build with the Greater Lynchburg Habitat for Humanity, you'll not only have the unique opportunity of impacting a homeowner and their family, but you will also give your business or organization incredible exposure. Each type of sponsorship comes with varying levels of recognition, as our way of saying thank you for helping us impact our community and giving someone a home they deserve.

No matter the level of sponsorship, you will have the opportunity to work on-site during a build. This experience is incredibly rewarding on the individual level, and also serves as a team building opportunity.

Thank You!

Please Note: Companies, organizations, or other groups that participate in a corporate sponsorship or a Team Building Day can expect the following from GLHFH: Jobsite supervision by qualified staff and volunteer leaders, meaningful work of varying degrees of difficulty, provision of all safety equipment, tools, materials, and supplies, and photo opportunities for GLHFH and the sponsor's use. GLHFH unfortunately cannot guarantee favorable weather, tasks that every volunteer LOVES to do, and an opportunity to meet the prospective family who is buying the home, but will do its best to make sure that all volunteers are satisfied with their experience.
